b. Maintenance and Operation (M&O), [ ] - Representatives from RECD participated in a negotiating session with Procurement Division and the Allied Maintenance Corporation concerning the Allied M&O proposal. Points of clarification were discussed concerning snow removal, building security requirements, and initial upgrading of the facility. We were impressed with the level of knowledge and experience Allied seems to have in the area of maintenance operations of facilities. We believe we had a successful meeting and if negotiations proceed as planned, the contract should become operational 1 October 1983. [ ]
